Are you longing to take your Christian walk to a whole new level? This

class was a great success during the Fall session! We will be using the book, Crazy Love by Francis Chan as our backdrop.

STARTING JANUARY 18:

The Way of the Master BY RAY COMFORT & KIRK CAMERON

led by Dale Brandeberry

150,000 people die every 24 hours—most without the Savior. Yet, very few Christians reach out to the lost. One reason for this is that many don't feel equipped. The purpose of this class is to inspire & equip Christians—to teach them how to share the gospel simply, effectively, biblically. . . the way Jesus did. Book cost: \$10

Revelation Study

led by Chaplain Bob Thornton

You've heard what it's like—let's READ about it. A Biblical study of the book of Revelation.
